Dear David

I'm writing to thank you for the energy, effort and enthusiasm you put into the house at Grand Designs Live. It was a staggeringly impressive team effort and a joy to see a British construction squad working like a well suntan-oiled machine. We were blessed with good weather and blessed with your talents.

I'm very grateful and, judging by the response from visitors to Excel and viewers of the series, so are they. In the end we managed to get the building some airtime and lots of exposure on the Channel 4 website.

I hope we get the chance to work together again sometime. In less pressurised circumstances maybe.
